The image displays several screenshots of the GEOS platform interface, illustrating its capabilities in global subsidiary setup and management.

**Sales Demo:** This section shows a user dashboard with a sidebar menu including Dashboard, Entities, Entity Setup, Compliance, Resolutions, Tasks, Mailroom, Data Room, Knowledge, and Users. The main content area features a "Welcome to GEOS" message, a "Client Intake Form" for "United Kingdom" (marked as "Complete"), and a "Project Phase" section with tabs for Client Intake, Documents, Company Setup (selected), Corporate Documents, Company Setup- Company Application, and Local Registrations. A progress bar indicates 11/15 steps completed.

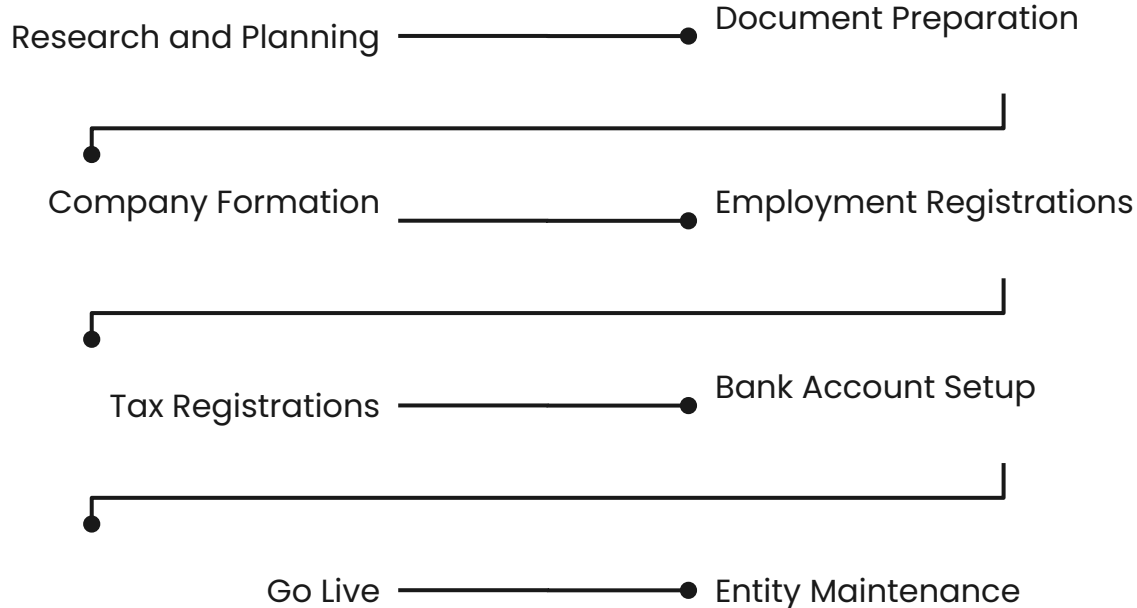

**Global Compliance:** This section displays a table of compliance requirements across different countries and a "Compliance Calendar" for March 2024.

**Entities:** This section shows a list of entities with columns for Country, Field, and Status. The entities listed are United Kingdom, Singapore, and India, each with a corresponding status (e.g., GEOS UK, GEOS Singapore, GEOS India). Below the list is a world map with markers indicating the locations of the entities.

**Geovanna:** A portrait of a woman, identified as Geovanna, is shown next to a text box describing her as an AI-powered assistant that provides guidance on topics related to global compliance, VAT, employment, tax, payroll, HR, and doing business around the world. Responses are for informational purposes only and do not constitute tax, legal or accounting advice.

The screenshot displays a software interface for global compliance. On the left is a sidebar menu titled 'R&D Space' with options: Dashboard, Entities, Entity Setup, Compliance, Tasks, Mailroom, Resolutions, Knowledge, Data Room, Users, Entities 2, and Tax Engine (highlighted). The main area is divided into two sections. The top section, 'Filing Status', contains a table with columns: ENTITY, PERIOD, YEAR, STATUS, TAX TYPE, and FILING DEADLINE. It lists filing statuses for GEOS UK, GEOS Singapore, and GEOS India across quarters Q2 and Q3 of 2024. The bottom section, 'Pending Review', contains a table with columns: ENTITY, VENDOR, AMOUNT, TAX APPLICABLE, TAX TYPE, and REVIEWER STATUS. It lists pending reviews for the same entities and vendors. At the bottom left of the interface is the user name 'Marie Rao', and at the bottom right is a 'Submit for GEOS Review' button and a 'Submit' button.
