contractor solutions

## Contractor Testimonials

We have over 1,360 reviews on Trustpilot. Our reviewers have given us 4.7 rating and 86% of those reviews are 5-star reviews. Here are a few of them.

*"Really competent team that are extremely knowledgeable and easily supported my transition between umbrella companies."*

*"I didn't understand my pay slip and the tax that came off it and I was very confused, but then I contacted Workwell Contractor Solutions and they helped me a lot in answering my questions and I now understand it."*

*"After working under several umbrella companies over the years, I can confidently say Workwell Contractor Solutions is in a league of its own. Their reliability, transparency, and human-first approach make them more than a payroll provider. They are a trusted partner. From seamless payment to expert support, they have consistently gone above and beyond."*

*"I had a wonderful experience being attended to. Workwell Contractor Solutions are extremely polite, attentive, and made sure all my concerns were heard and addressed. Thank you for the excellent service."*

NOTE: We have a library of case studies and testimonials available upon request.

## Collaborating with agencies - for the good of our contractors.

While these awards recognise service to contractors, we believe strong partnerships with our recruitment agency partners are an equally vital part of the contractor experience.

We have worked with many recruitment agencies for over a decade, and they have recently provided the most wonderful testimonials, which we couldn't have written better ourselves.

*"Not just a service provider, they're indispensable to our operations."*

- James Sanders, PSR Solutions

*"So much more than a payroll company, helping us to navigate Umbrella and ensure compliance at every step. They're expertise is second-to-none."*

- Mark Harris, Building Careers

*"They consistently provide so much more than a payroll company, we regard them as partners."*

- Stephen Carr, We Are Footprint
